WILLIAMS F BLACKBIRD
705-429 (19859186)

Owned with Leegan Farms, TN, this two-year-old is destined to be one of the great Angus cows of this breed. With breathtaking physical presence and elite genetic predictions for multiple traits, she is the only female in the breed with her combination of CED, Marb, RE and \$C, ranking fifth for \$C among all female females. Early indications are that this cow is truly a powerfully prepotent parent. Selling a flush to the bull of the buyer's choice, guaranteeing 6 high quality embryos.

**WILLIAMS F
BLACKBIRD 705-429**

OGEECHEE HOME TOWN K230
(20507828)

K230 is currently the #1 \$C female in the Angus breed! She is the powerful Home Town daughter out of Williams F Blackbird 705-429. We are excited to share the very best we have ever produced. Selling ½ interest in this exciting young female.

OAF LEEGAN BLACKBIRD 222
(20510796)

222 is the natural Home Town daughter of the #5 \$C female in the breed. This exceptionally attractive heifer calf combines double digit CED with top 1% predictions for YW and rare air carcass predictions. She ranks in the top 1% of the breed for 8 EPDs and indices. She is owned with Leegan Farms and sells in her entirety.

Four Stunning Dual Threat Daughters...

CAM DUAL THREAT A51(20332793)

High quality with a commanding presence, A51 blends Dual Threat and Quantum to generate 15 EPD traits or indices in the top 10% or better equating to unprecedented genetic balance. A51 has been flushed one time to produce 8 high quality embryos and sells bred 12/30/2022 to GB Fireball.

CAM DUAL THREAT A71 (20301355)

A71 exemplifies hard-to-find presence and power, while charting elite genetic parameters across a multitude of traits. A71 is an in-demand female who will be a mainstay donor with industry relevance for a long time. A71 has been flushed one time to produce 9 high quality embryos and sells bred 1/7/2023 to GB Fireball.

OGEECHEE DUAL THREAT K14 (20338209)

Posting 15 genetic predictions and indices in the top 10% among all non-parent females, K14 represents Ogeechee Farms' goals and breeding objectives to the highest degree. She is sired by Dual Threat and possesses a truly unique combination of calving ease (CED) and muscle (REA). K14 sells open and ready to flush or breed.

OGEECHEE DUAL THREAT K17 (20338211)

K17 balances stunning phenotype with multi-trait excellence, ranking in the top 10% of all non-parent females for 16 EPDs and indices while posting mature size projections in the bottom 1/3 of the breed. Good from the ground up, she is one of 4 daughters that will sell out of the powerful Ogeechee Inertia 941, currently serving as donor for Darrell Lake in Texas. K17 sells open and ready to flush or breed.

Four “Trust the Process” Young Donors...

CAM VERCINGETORIX A381 (20332796)

A381 represents a “have it all” mentality as she combines a superior, high quality look with elite genetic parameters to place her in a league with few contemporaries. A381 has been flushed one time to produce 21 high quality embryos and sells bred 12/9/2022 to GB Fireball.

OGEECHEE SET APART 145 (20338161)

Powerful and beautifully designed, 145 is the only Set Apart daughter in the breed with her combination of CED, YW, Marb, RE and \$C. Her dam is an elegant Ashland daughter and cornerstone donor for Ogeechee and Doug Engle. This stout young donor ranks in the top 1% among non-parent females for 8 EPDs and indices! 145 sells open and ready to flush or breed.

OGEECHEE HOME TOWN K16 (20340793)

Sired by Home Town out of our foundation donor, 711, who is full sister to Dual Threat, K16 excels for maternal ability, ranking in the top 1% of the breed for \$M and \$C. She is excellent footed, correct and sound, and the only female in the AAA database with her combination of Marb, \$M, \$B, \$C and mature size projections. She sells open and ready to flush or breed.

OGEECHEE ALTERNATIVE 147 (20341932)

147 is big bodied, thick topped with that soft cow look we all appreciate. Out of the FB donor, 960, she is the only Alternative daughter with her unique combination of yearling growth, marbling and \$B. With Claw and Angle projections in the top 15% of the breed, 147 combines traits imperative for cow longevity along with elite end product merit genetics like few can. She sells open and ready to flush or breed.
